MEMORANDUM FOR: The CIA Member of COMOR

SUBJECT: Film Classification

1. Please obtain for ID/OSA a list of those targets within the ZI which might be covered on training missions involving the IDEALIST and OXCART vehicles and requiring a R. D. classification.

2. At the present time the OXCART vehicle in particular is photographing AE installations within range of home base. The resulting photography has been labeled: "TOP SECRET OXCART." OSA desires the list of R. D. installations requiring special classification be forwarded soonest in order that the film already in hand and that which might be obtained in the future, might be properly classified.
